Venezuela/Chile

Email | WhatsApp | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Business administration professional with 16+ years of experience across commercial management, operations and process improvement. Experience serving clients in Spanish and English, managing service requests, coordinating administrative activities and working with inventory data. Background in digital product testing, user training and practical web solutions, with a focus on meeting objectives and deadlines.

CORE SKILLS

Commercial administration • Bilingual client service • Process improvement • KPI reporting • Inventory management • Service desk support • Quality assurance testing • Training and knowledge transfer

PROFESSIONAL EXPERIENCE

Commercial Management | ARROTTI Group LLC

Current role

- Handle commercial activities and client service in Spanish and English; manage administrative processes, orders, digital inventory and invoicing.

Web Design and Configuration | Project work

2024–Present; earlier experience 2016–2018

- Modify website layouts and digital designs using WordPress, Google Apps Script and Google Sites, with basic HTML and SQL configuration.
- Develop practical product catalogues, ordering pages and inventory search tools; examples include Pinky Donuts and Variedades Anlis.

Website Inventory Data Entry | ARROTTI Group LLC

2024–2026

- Entered product inventory data into the company website to support online product information.

Senior Service Desk Assistant | Openagora

August 2022–April 2026 | Santiago, Chile

- Analysed and prioritized client requests, managed assigned tickets and resolved platform issues against service requirements.
- Configured platform modules, performed quality assurance tests and supported product improvements using basic SQL and HTML.
- Trained clients on the system and communicated in English when required.

Operations Supervisor | ID Logistics Chile

October 2020–November 2022 | Santiago, Chile

- Supervised operational processes, coordinated work priorities and monitored department performance through KPIs.
- Supported inventory and order administration, investigated process improvements and monitored compliance with company procedures.

PROFESSIONAL EXPERIENCE CONTINUED

WMS Operations Administrator | ID Logistics Chile

December 2018–October 2020 | Santiago, Chile

- Prepared purchase orders, budgets and invoices, allocated resources by workload and analysed performance data.
- Supported process optimization and worked with software, Power BI and Excel data.

Commercial Administrator | Fashion Kids C.A.

2016–2018 | Venezuela

- Managed commercial administration, sales, inventory, pricing policies and client service.

Shopping Centre Administrator | C.C. Doña Ana

2016–2018 | Venezuela

- Handled administrative activities, collections and payments; coordinated maintenance and followed up on tenants' needs.

English Instructor | Universidad Nacional Experimental de Guayana

2011–2017 | Venezuela

- Taught English I, English II and Instrumental English.

English Course Instructor | Universidad de Oriente, Dean's Office

2012–2017 | Venezuela

- Taught Technical English and Basic Conversational English courses.

Administrator | Repuesto Americano C.A.

2009–2010 | Ciudad Bolivar, Venezuela

- Handled business administration for an automotive parts business.

Accounting Intern | CVG Venalum

2009 | Venezuela

- Updated and analysed employee accounts payable records and supported account activation and information tracking.
